

EL CAP DE TRONS

Young character,
crazy, irrational
and impetuous.

VARIETIES Merlot, Syrah and Red Grenache

TASTING NOTE

The wine has a dark cherry color with violet hues. On the nose, red fruits such as raspberries, cherries and redcurrants stand out. The palate has a lively and full attack with sob tannins and a refined acidity.

HARVEST 2022

The '22 vintage year in the Penedès was characterised by drought, with only 320 mm of rain. A dry winter and spring and a summer with hot spells and little temperature difference between day and night stressed the vines, which produced less than expected in the spring. The quality has been excellent, very balanced and without health problems.

	MERLOT	SYRAH	RED. GREN.
LOCATION	Font Rubí (319 m)	Font Rubí (319 m)	La Granada (270 m)
VINE'S AGE	20 years	20 years	19 years

TYPE OF SOIL	Estate located on calcareous soil with a clay loam texture. Soils with a good depth for rooting.	Estate situated on calcareous soils with sandy loam texture. Large stones present on the surface and low content of organic material.	Estate located on calcareous soil with a clay texture.

ELABORATION

We harvest mechanically and it is done at night to preserve all the organoleptic characteristics of the grapes. In the cellar, the grapes are introduced into stainless steel tanks for the maceration-fermentation process at a controlled temperature of 24-26°C. Finally it will be pressed.
